

Bug Club

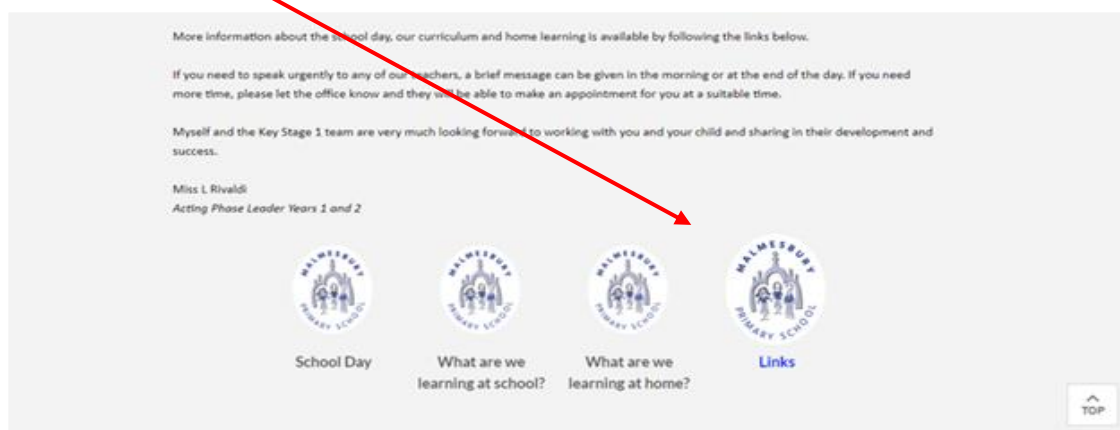

**How to access learning especially
for your child.**

Step 1: Go to your child's year group page.

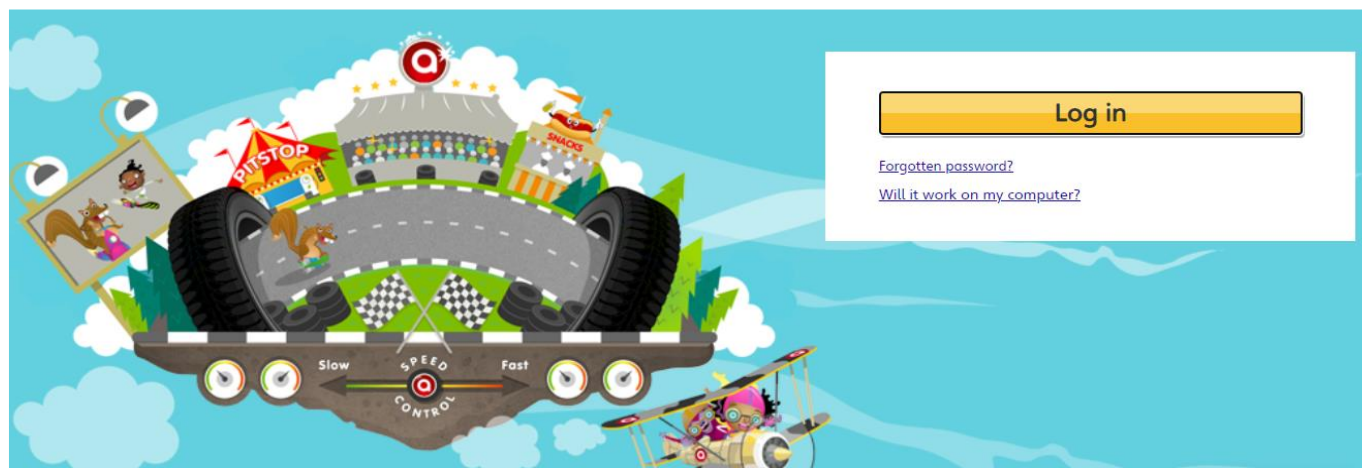

Step 2: Click on links.

Step 3: Click on Bug Club.

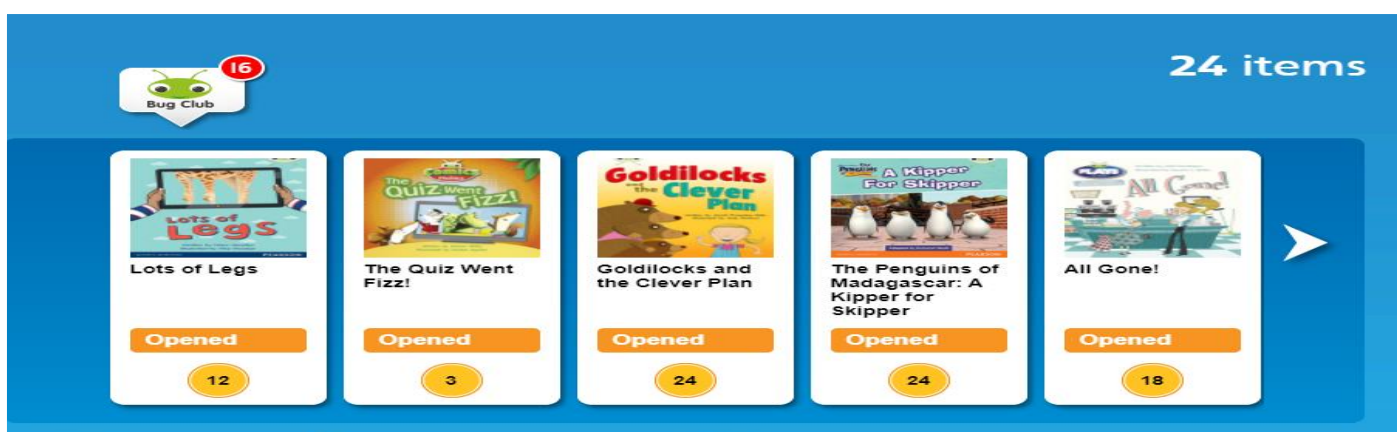

Step 4: Select Login.

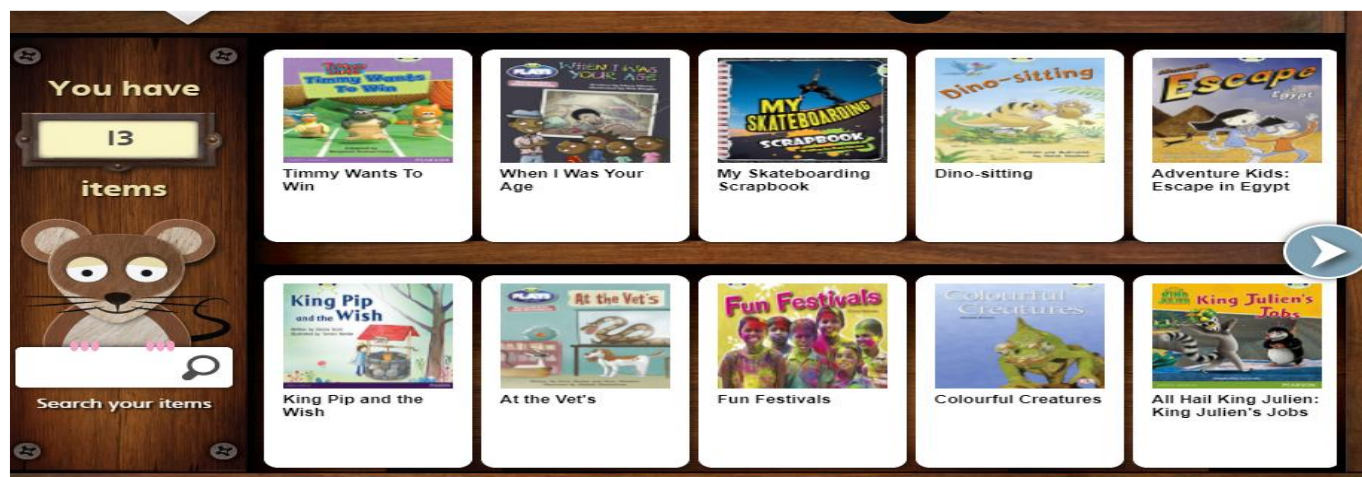

Step 5: Use login details on the sticker in your child's Home - School Diary

A screenshot of a 'Sign in' form. The form has a white background with a light blue border. At the top left, it says 'Sign in' in a large, blue font. To the right of this text is a small blue circle with a white question mark. Below the title, there are three input fields. The first is labeled 'Username' and has a blue person icon to its left. The second is labeled 'Password' and has a blue padlock icon to its left and a blue 'Show' link to its right. The third is labeled 'School code (Primary schools only)' and has a blue school building icon to its left. Below the input fields is a blue link that says 'Forgot your username or password?'. At the bottom of the form is a large yellow button that says 'Sign in'.

My stuff shows all the new books your child needs to read. They must answer all the bug questions to finish a book.

My library has all the finished books to re-read and enjoy!

Spend time enjoying **my rewards**!
