

Looking Back, Looking Forward

A Competition for Merton Schools to mark
60 years of the London Borough of Merton.

We have rescheduled our competition and school students are invited to submit work **celebrating the past 6 decades of Merton's history and / or highlighting their hopes and dreams for its future.**

Entries can be artwork, poetry, a poster, prose, a letter or perhaps a photo – the choice is yours.

- Selected entries will feature in a 2 week exhibition at Wimbledon Library
- Successful entrants will be invited to a special launch at Merton Arts Space on 7 July (4-6pm)
- Prizes will be awarded for the entries chosen by a local panel.

How to enter:

Simply send your entries by email (school@malmesbury.merton.sch.uk) or bring them to your class teacher, and we will forward them to Merton.

Work should cover one side only of an A4 or A3 sheet.

Deadline: Thursday 19th June
