

Science Poster Competition

TIME

Here are some ideas for what your poster can be about:

- How you spend your time
- How long something takes to travel, e.g. sound, transport
- Measuring time – seconds, days, seasons, centuries
- Time in space
- Scientists from the past or who investigate time
- Time travel

How will entries be judged?

- Creativity in approach
- Content - clear accurate and informative
- Effective communication - presented and communicated in an interesting way.

There will be a winner for EYFS, KS1 and KS2!

Posters can be on A4 or A3 paper.

Write your **name** and **class** on the back.

Entries need to be in on **Wednesday 27th March:**

- Give it to your class teacher
- Email it to school@malmesbury.merton.sch.uk
- Upload it to Google Classroom if you are in KS2
