

Nursery News – 17th September 2026

Music with Mr Thomas

We are lucky to have our music specialist teacher, Mr Thomas, in Nursery on Tuesday mornings. He will be planning lots of fun activities for children to develop their musical talents and creativity.

Hello Nursery!

The start of a new school year has proven we are in for an absolute adventure! We are so delighted to welcome back our returning superstars alongside a terrific bunch of new faces joining the fun. Our little learners are already settling into the groove wonderfully, though we always expect a few tiny ups and downs along the way— which is a completely normal part of finding our feet in new routines. A massive shoutout goes to all of our parents, who might secretly be finding this big transition just a little bit harder than their brave little ones! You're doing an amazing job, and we can't wait to see what this fantastic year brings.

Physical Development with Miss Bennett

We are lucky to have our PE specialist teacher, Miss Bennett, in Nursery on Wednesday mornings. She will be planning lots of fun activities to help the children develop their gross motor skills.

Dates for the Diary

Monday 21st September: Nursery's first visit to the school library

Thursday 1st October: Individual School Photos

Tuesday 13th October: Stay and Play
(more information to follow)

Oracy

Oracy is the ability to articulate ideas, develop understanding and engage with others through speaking and listening. At Malmesbury, oracy skills are practised and embedded throughout the curriculum. In future newsletters, we will share ideas that you can focus on at home that link to what we are learning in school.
