The Family Book

Children have loved reading *The Family Book* and sharing stories about their families with teachers and friends. The children enjoyed crafting their own houses and drawing the special people who live in them, celebrating what makes every family unique!

Pets!

How lucky we were to welcome so many different pets to Nursery this week. Learning was based around the story *Lulu Gets a Cat* and we were delighted to welcome a cat named Lulu on Monday! Tortoises, stick insects, Freddie the dog, hamsters and a rabbit all made appearances with the children showing great interest in all of them. We hope your children have convinced you to get a pet at home!

Conker Collection

Thank you to everyone who has been collecting conkers over the past few weeks. The children were so excited watching the box fill up and they have been enjoying using them in different areas of the Nursery. Please continue to collect them if you are able.
