Reception News – 15th October 2026

Malmesbury
Primary & Nursery School

Question of the Week

If you shrank down to the size of a snail and lived inside its shell, what would your house look like inside?

Dates for the Diary

- Thursday 22nd October: Teddy Bears' Picnic
- Friday 23rd October: School closed for INSET
- 26th-30th October: Half-term break
- Monday 2nd November: School re-opens
- Thursday 12th November 'Stay & Read' in the classroom followed by a presentation in the hall about phonics.

Healthy Early Years Award

We are thrilled to announce that we are the only school in Merton to achieve the Mayor of London's Healthy Early Years Award! This award celebrates our commitment to giving children the best start in life- supporting their physical health, oral hygiene, and early cognitive development.

Autumn Explorers!

Our Reception playground turned into a bustling research zone this week! Armed with magnifying glasses and heaps of curiosity, our mini scientists have been busy investigating every nook and cranny of our outdoor area for signs of autumn.

They've been taking an up-close look at our favorite playground visitors- wriggly worms and super slow snails! Using their magnifying lenses, the children carefully observed how they move, noticed their fascinating patterns, and excitedly recorded all their amazing findings like real-life researchers.

Master Builders at Work!

Our classroom workshop has been buzzing with excitement as our young creators step into the world of woodwork! With safety goggles on and real hammers in hand, the children have been hard at work developing their coordination, focus, and practical skills.

From speedy aeroplanes and zooming cars to futuristic robots and amazing abstract sculptures, their imaginations have truly taken flight. It's been wonderful watching them carefully measure, align, and hammer their ideas into real, tangible creations.
