Communication and Language

- Listening carefully to rhymes and songs, paying attention to how they sound.
- Learning rhymes to celebrate World Nursery Rhyme Week.

Understanding the World

- Talking about images of their family from the past.
- Learning about Bonfire Night, Remembrance Day and Christmas.

Things to look forward to:

- Nursery rhyme performance
- Christmas performance

Expressive Arts and Design

- Exploring and engaging in singing and dancing for a group performance.

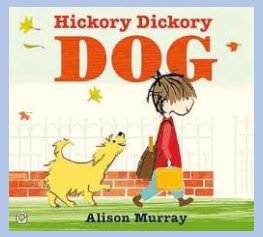

Physical Development

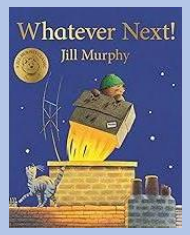

- Develop a comfortable grip with good
- Control when holding pens and pencils to make prewriting patterns and shapes.
- Moving on to writing letters accurately.

What are we learning in school?

Autumn 2: Off We Go!

Hickory Dickory Dog! *Whatever Next!*

Literacy

- Books about adventures and revisiting the traditional tale: The Gingerbread Man.
- Beginning to blend sounds into words.
- Reading a few common exception words (red words).

Personal, Social and Emotional Development

We will be working on speaking in a simple sentence which links to our oracy skills. This will support children gain confidence and find their voice.

Daily routines

Look at pictures of different parts of a school day: painting time, outdoor play, lunchtime, and home time. Talk about what Rufus the dog might like to do during each part of the day.

Maths

- Counting objects, actions and sounds.
- Building on our subitising skills.

What is subitising? Scan here to find out:

Visit London Transport Museum in Convent Garden to learn about transport from the past and present day.	 Watch and discuss this video about dental hygiene.	 Listen to this episode of CBeebies Radio about Bonfire Night. Draw a picture of what happened and write down three things you heard in the episode. *Your child might need your support with listening in small chunks.*
 Are you joining in with any celebrations over the next few months? We would love to see pictures of what you and your family get up to.	**<u>Home Learning Challenges</u>** You can bring in any home learning to share with the class or email pictures to: school@malmesbury.merton.sch.uk You can also message us on Instagram @malmesbury_primary	 What is your favourite meal at home? Can you make a recipe and take some pictures to add to a class recipe book for our home corner?
 Can you make a rocket-inspired fruit kebab? Can you make a pattern with the fruit you choose?	 Can you spot the moon every day? What do you notice?	  Collect 10 conkers and share them between 3 members of your family. How many ways can you share them? Is it possible to do it fairly?
